Use Cases

Ensuring Compliance and Transparency

Maintain adherence to regulatory standards like MiFID II and detect potential market abuse.

Ticks by SIX delivers historical tick data within two hours of market close or on a scheduled basis, enabling timely and precise trade reconstruction and market activity analysis.

Optimizing Trade Performance

Evaluate execution quality, identify venue efficiency, and reduce transaction costs.

Ticks by SIX offers both tick-by-tick data for detailed analysis and one-minute bar roll-ups for a summarized view, addressing the diverse needs of firms conducting TCA and performance evaluations.

Enhancing Strategy Development

Backtest trading strategies and perform in-depth market analysis with comprehensive data.

Ticks by SIX offers up to 10 years of normalized tick history across 360 venues, allowing firms to validate strategies, analyze trends, and make informed decisions for global market operations.
