

SIX Sweden Sustainability Index GI

The SIX Sweden Sustainability Index GI reflects the performance of all companies listed on the Nasdaq Stockholm Stock Exchange that meet the modern standards for social, environmental and ethical criteria of corporate responsibility and sustainability.

The SIX Sweden Sustainability Index GI (SIXSESUSTAINGI) is owned and calculated by SIX Financial Information. SIXSESUSTAINGI reflects the performance of all companies listed on the Nasdaq Stockholm Stock Exchange that meet the modern standards for social, environmental and ethical criteria of corporate responsibility and sustainability. Gross dividends are reinvested and companies are excluded when not deemed sustainable.

Constituent Selection

The SIXSESUSTAINGI index is revised semiannually. This screening process is carried out by ISS ESG. Special attention is given to companies involved in fossil fuels including coal, oil and gas. A general exclusion is made for companies involved in activities related to the generation, extraction or processing of fossil fuels. Companies are excluded when they are not classified as sustainable. Only the largest share or main share is included per company.
