## Introduction

SIX Swiss Exchange will introduce the SWXess Maintenance Release 14 (SMR14) to the SWXess trading platform. SMR14 contains required interface changes for SWXess participants.

The key highlights of SMR14 are:

- Change of Behavior for Amending Down Order Quantities
- Automated Suspension of Structured Products via CONNEXOR
- Further changes to be confirmed in due course

SMR14 will be introduced in the **Membertest environment** with a **staged approach; stage 1 on 16 September 2024 and stage 2 on 21 October 2024**. SWXess interface **changes** required to support the functionality of both Membertest stage 1 and stage 2 will be delivered with **Membertest stage 1**.

SMR14 is scheduled to go live in the **Production Environment** on **9 December 2024**.
